

spiRE Days

**A whole day of RE, art, history, literacy and design activities at
Rochester Cathedral**
Key Stage 1 Programme

Arrival at 10.15 – Departure at 14.20

An action packed day to encourage pupils to look, investigate, explore and interpret the magnificent environment of a site of local heritage concluding with an optional act of worship.

AspiRE Day Activities

Choose any two of the following activities:

Stories in Glass We explore the stories hidden in the stained glass windows of the Lady Chapel with the aid of the popular children's story book "The three Trees". Pupils will then design their own stained glass window – *wonderful display material!*

Role play – Christening Christening (baptism) is an important ceremony in Christian life and we role play a christening, thinking about the symbols used during christening.

Tile Printing Spend time collecting sketches of patterns, shapes and images around the cathedral and then design and print with a tile template.

Choose any one of the following trail sheets:

Explorer Trail Follow a simple trail exploring the cathedral – the time slot allows time for discussion and sketching.

Cathedral I Spy A simple photo trail to help you explore the Cathedral.

Time will be given in the programme for short breaks, a visit to the cathedral shop, and breath of fresh air in Rochester Castle grounds. Lunch-rooms (normally priced at £15.00 per half-hour) are provided free of charge for AspiRE Days.

AspiRE Days are available from November to end of February for a cost of £3.45 per pupil (may be available at other times for £3.95 per pupil)

"It was a good day – thank-you. The children really enjoyed the visit." KS 1 teacher
