

The Rochester Cathedral Business Guild Sponsorship Opportunities

Whilst Rochester Cathedral Business Guild makes no charges for membership it does seek corporate sponsorship from businesses to cover its costs.

In exchange sponsors will be given the unique opportunity to promote their brand at networking events and exhibitions within the awe-inspiring Rochester Cathedral and across the Diocese, benefiting from association with the Cathedral's prestigious name and history as being at the center of local trade and community life.

Sponsors are promoted on our website page, newsletters, event brochures and marketing communications throughout the year.

Sponsorship runs from 1st January to 31st December each year.

Sponsorship packages

We have three corporate sponsorship packages available: **Bronze** (£250 per annum) **Silver** (£1,000 per annum) and **Gold** (£2,500 per annum).
